- **Statement of compliance with Directive 94/62/EC**

Dear Sirs and Madams,

we can confirm that all paper grades of CHROMOLUX are in compliance with directive 94/62/EC including the amendment 2004/12/EC and 2005/20/EC and that we fulfil the requirements of the relating harmonized CEN standards and relating CEN reports.

In detail:

EN 13427 describes how to handle the series of standards

EN 13428 (Prevention) deals with the whole packaging

EN 13429 (Reuse) is not applicable for our product

EN 13430 (Material recycling) is fulfilled

EN 13431 (Energy recovery) is fulfilled

CR 13695-1 (limits of heavy metals

[sum of Pb, Cd, Hg and Cr(VI) < 100 ppm]) is fulfilled

CR 13695-2 (other noxious substances) is fulfilled

As our products may be used for food contact, we have analysed them by an authorized analytical company on a regular base.

Kind regards

Jörg Neuhäuser
