**Confirmation of compliance with EC Directive 94/62/EC**

Dear Sir or Madam:

We hereby confirm that MONDI UNCOATED FINE PAPER products fulfil the standards set by the EC Directive 94/62/EC on Packaging and Packaging Waste, which stipulates requirements regarding amount and recycleability of packaging material, as well as maximum content environmentally harmful material (cumulative heavy metal content). All our papers and their packaging contain no more than 100 ppm of lead, cadmium, mercury, or chrome, as specified in the Directive.

Yours faithfully,  
MONDI UNCOATED FINE PAPER
